- **Why is this tutorial important?**  
The FFATA Subaward Reporting System (FSRS) is the only mechanism available to report subaward and executive compensation data required by the transparency act for both Federal contracts and grants to USAspending. This tutorial is designed to navigate the user seamlessly through the postaward process for editing reports in this section.
- **How long will this tutorial take me?**  
This tutorial will only take approximately thirty (30) minutes to complete.
- **What is the expected outcome of this process?**  
Upon completing this process, the user will become knowledgeable about processing and editing FFATA FSRS reports.
- **How does this module fit into the overall FFATA Subaward reporting process in FSRS?**  
The user will understand the intricate details and functionality of how to create, edit, submit and reopen FSRS reports in this section.

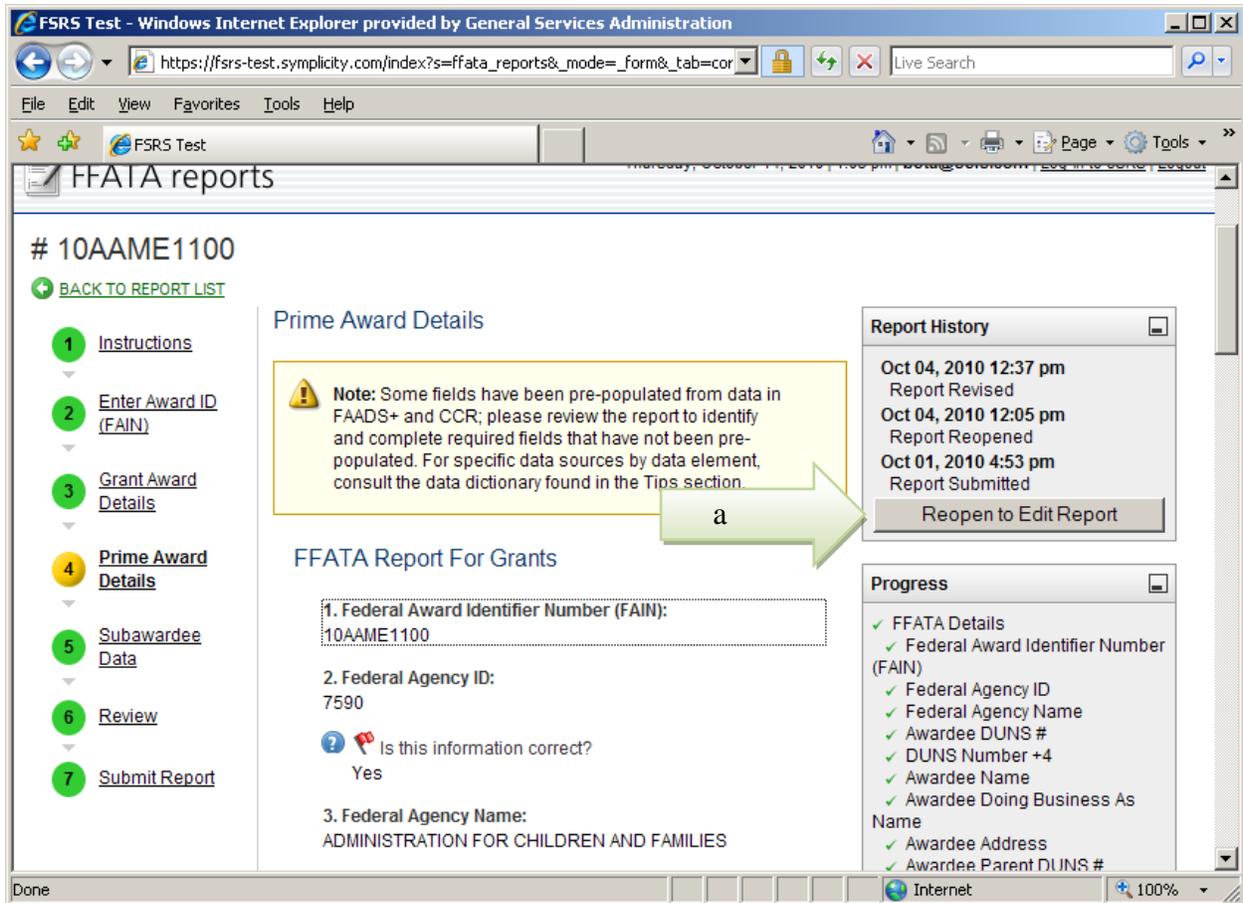

The screenshot shows a web browser window titled "FSRS Test - Windows Internet Explorer provided by General Services Administration". The address bar shows "https://fsrs-test.symplicity.com/index?\_tab=list". The page content includes a navigation menu with tabs for "All", "Drafts", "Submitted", and "Re-opened". Below the tabs is a "Search Filters" section and a "Create New Report" button. A table displays a list of reports with columns: Contract / Award Number, Agency ID, Agency Name, Status, Source, Report Month, and Options. The table contains 8 rows of data. A green arrow labeled 'a' points to the "All" tab, and a green arrow labeled 'b' points to the edit icon (a document with a pencil) in the second row of the table.
