How to Successfully Complete a Batch Upload

This quick reference guide pertains to:

Instructions on how to create, submit, and correct errors when using the batch upload process to submit sub-award reports in FSRS. This module will provide stepby-step guidance outlining the necessary actions required to successfully accomplish this process in the system. This module addresses the data elements specific to the grants sub-award reporting requirements.

Who should be using this tutorial?

Prime awardees responsible for submitting FFATA sub-award reports on behalf of their organization.

Why is this tutorial important?

Prime awardees are required to submit their sub-award data using FSRS. If an awardee wants to submit sub-award reports for more than one contract or grant at a time, they can use the FSRS batch upload process or establish an XML web service with FSRS. The batch upload functionality allows organizations to submit sub-award activity for more than one award at a time. When more than 150 records are submitted via the batch upload functionality, FSRS takes this submission offline to prevent session timeout errors. This tutorial is designed to navigate the user seamlessly through the batch upload process and to provide useful tips on managing these reports.

How long will this tutorial take me?

This tutorial will take approximately twenty (20) minutes to review. However, when a user is actually processing sub-award reports, it may take longer depending on the number of reports being submitted at a time. The data for each report being submitted must be manually entered on the excel spreadsheet created for that submission.

What is the expected outcome of this process?

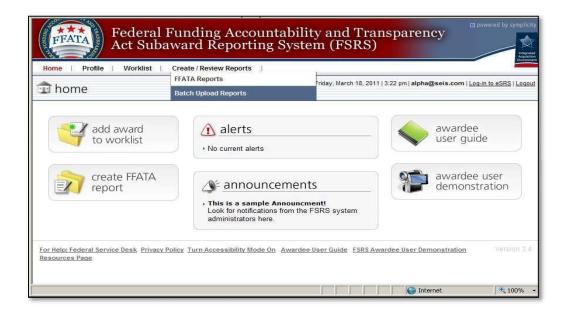

Upon completing this process, the user will understand the batch upload process and how to submit sub-award reports using this method.

How does this module fit into the overall FSRS business process?

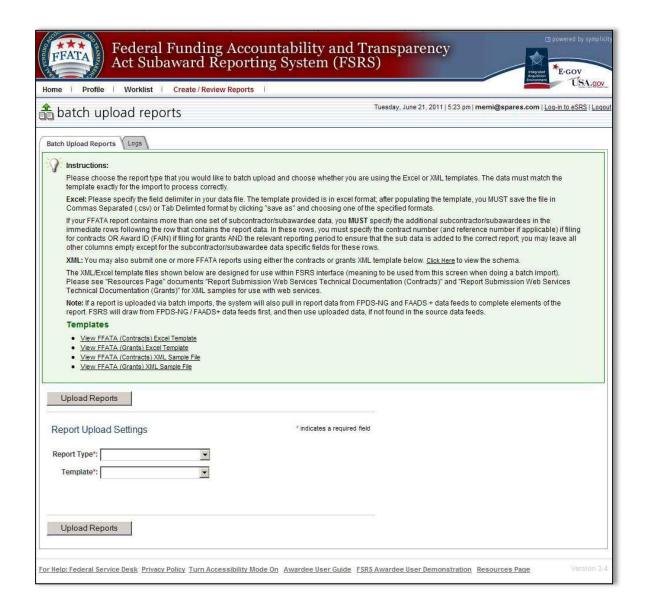

The user will understand the details and functionality of how to create, submit and manage sub-award reports using the batch upload process described in this section. This module assumes the user has registered in FSRS and knows how to log into the system.

Task 1 - Create a Batch Upload File

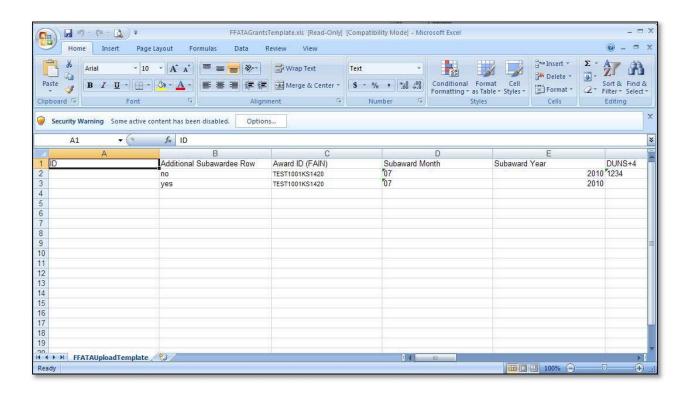

- 1. Log into the system at FSRS.gov as an Awardee.
- 2. On the FSRS home page, select the [Create/Review Reports] navigation link.
 - Screen will advance to the next step of the process
- 3. A drop down menu will appear.

- 4. Select [Batch Upload Reports].
 - The system automatically advances to the Batch Upload Reports screen.

- 5. On-screen instructions are provided to the user on how to prepare a report submission using either an Excel template or an XML template.
- 6. To prepare a Batch Upload using the Excel template, you must first download the appropriate FFATA Excel Template:
 - a. Under the Templates heading in the instructions box, place cursor on the link for either <u>View FFATA (Contracts) Excel Template</u> or <u>View FFATA (Grants) Excel</u> Template and click on your choice. For this module, select the grants template.
 - b. A file download message box will appear asking "Do you want to open or save this file?"
 - c. Select [Open]
 - The system will open an Excel spreadsheet in a new window.

- 7. Once the Excel spreadsheet opens, you must follow these instructions in order to successfully submit your sub-award data to FSRS using the batch upload method:
 - a. Delete all the sample data except for the Column Headers in Row 1.
 - b. Begin entering your sub-award data by prime award number. Remember, the system processes the data submitted by month and by prime award number. An FSRS sub-award report consists of all sub-awards made against a given prime award in a given month. You cannot submit more than one sub-award report for a given prime award in a given month. This is easy to see in the on-line web user interface but harder to envision using the Batch Upload template. Note: Read the information contained in the following Table regarding the Additional Subawardee Row field.
 - c. The Batch Upload template assumes a familiarity with the required data elements in FSRS. In the FFATA (Grants) Excel template, Columns B-M refer to your prime award information, while Columns N-Z refer to information about the sub-award your organization made against the prime award. You can reference the data format table at the end of this guide for the specifics, but here are general tips for each column by header label:

Batch Upload Template Data Dictionary

	Template Data Dictionally		
Column Header	Note	Your Action	
ID ITERACE	ID field refers to the URL ID assigned to each sub-award report when it has been submitted. This is a unique identifier and will allow you to make edits to the sub-award report. These edits will overwrite the previous data. When submitting edits ensure all the data is both complete and correct, i.e. every field that is required contains the correct information. This function can only be used if the report has been "Reopened for edits" within FSRS. The URL ID is found at the end of the URL following the id= marker. For example, if the URL for your sub-award report is: <a fsrs-test.symplicity.com="" href="https://fsrs-test.symplicity.com/index?s=manager_grants&mode=" https:="" index?s='manager_grants&mode="https://sss-test.symplicity.com/index?s=manager_grants&mode="https://sss-test.symplicity.com/index?s=manager_grants&mode="https://sss-test.symplicity.com/index?s=manager_grants&mode="https://ssss-test.symplicity.com/index?s=manager_grants&mode="https://sssss-test.symplicity.com/index?s=manager_grants&mode="https://sssssssssssssssssssssssssssssssss</td'><td>This field should be left blank unless you are resubmitting edits for a previously submitted sub- award report.</td>	This field should be left blank unless you are resubmitting edits for a previously submitted sub- award report.	
Additional SubAwardee Row	The first row for any sub-award report should always be marked "No" as this is the beginning of the sub-award report, i.e. this row contains the data for the first sub-awardee for this prime award. If you have more than one subawardee in your report, each additional row entered after the first row should have the "Additional Subawardee Row" marked as "Yes". If you enter information for more than one prime award, you tell the system to start a new sub-award report by entering "No" for the first sub-award row in the new sub-award report.	Mark the first sub-award row "No" and any additional sub- award rows "Yes."	
Award ID (FAIN)	This is the Federal Award Identifier Number (FAIN) for the prime grant award.	Enter the award ID.	
Subaward Month	This field should reflect the Reporting Month of the report being submitted. Use two digit numbers for the month: 01 - January;	Enter the two digit month value.

POP Country	This field should reflect the country in which the prime award place of performance occurs. If you plan to enter anything other than "US" or	Enter the valid Country name.
	"United States" as a country value, you must enter "Non-US" for the corresponding State value. By entering "Non-US" as the State value, the Zip+4 and Congressional District become non-required fields.	
	Refer to "Appendix B - FSRS Country List" at the end of this document for acceptable country values. The country name must be entered exactly as shown in Appendix B.	
Compensation Q1	Answer the question," In your business or organization's preceding completed fiscal year, did your business or organization (the legal entity to which this specific SAM record, represented by a UNIQUE ENTITY ID (SAM) number, belongs) receive (1) 80 percent or more of your annual gross revenues in U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements; and (2) \$25,000,000 or more in annual gross revenues from U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements?" If you respond 'Yes,' you must provide a response to Compensation Q2.	Enter 'Yes' or 'No.'
Compensation Q2	Answer the question, "Does the public have access to information about the compensation of the executives in your business or organization (the legal entity to which this specific SAM record, represented by a UNIQUE ENTITY ID (SAM) number, belongs) through periodic reports filed under section 13(a) or 15(d) of the Securities ExchangeAct of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986?"	Enter 'Yes' or 'No.'

131	egovi (St	
Column Header	Note	Your Action
	You only need to answer this if you responded 'Yes' to Compensation Q1. Answer 'Yes' or 'No.'	
	If you answer 'Yes,' you do not have to provide additional information.	
	If you answer 'No,' you must provide the names and amounts of the five most highly compensated executives of your organization.	
Top Employer Compensation	If you answered 'No' to Compensation Q2, then provide the name and total compensation for the five (5) most highly compensated executives in your business or organization (the legal entity to which this UNIQUE ENTITY ID (SAM) number is assigned). Enter thefive names as a text string with the name and total compensation separated by a colon and each executive separated by a semicolon.	Enter the five names as a text string with the name and total compensation separated by a colon and each entry separated by a semicolon.
	Name1:Amount1;Name2:Amount2;Name3:Amount3;Name4:Amount4;Name5:Amount5	
	i.e. John Doe:1000000;Mary Smith:950000;Eric Jones:800000;Todd Smith:600000;Sally Shoes:500000	
Sub UNIQUE ENTITY ID (SAM)#	Enter the nine (9) digit UNIQUE ENTITY ID (SAM) number for thesub-awardee. NOTE: make sure this column is set as a text field so any UNIQUE ENTITY ID (SAM) numbers beginning with zeromaintain their leading zeros when the file is laterconverted to a .csv file.	Enter the nine digit UNIQUE ENTITY ID (SAM) number.
Sub UNIQUE ENTITY ID (SAM)+4	If the sub-awardee has a +4 value for their UNIQUE ENTITY ID (SAM) number to indicate specific payment locations within their organization as registeredin CCR, you would note it here. This is not a required field but should be provided if applicable.	Enter the four digit UNIQUE ENTITY ID (SAM)+4 value.
Sub POP City	This field should reflect the city in which the sub-award place of performance occurs.	Enter the name of the city.

	The porting of stem (1 orto)			
Column Header	Note	Your Action		
Sub POP State	This field should reflect the state in which the sub-award place of performance occurs.	Enter the two-digit state abbreviation or 'Non-US' for a foreign location.		
Sub POP ZIP+4	This field should reflect the ZIP+4 in which the sub-award place of performance occurs. This MUST be a nine (9) digit zip code. This field populates the Congressional District for the POP and must be completed so that the report will not be rejected. If your report is rejected for ZIP+4, recheck that your 9 digit zip code is correct. You can go to www.house.gov and enter the 9 digit zip code into their zip code search field on the homepage and if it is valid it will return a Congressional District. If it returns a Congressional District and you still received this warning contact the Federal Service Desk (www.fsd.gov) for support.	Enter the nine digit zip code. (Not required if 'non-US' is entered for state.)		
Sub POP Country	This field should reflect the country in which the sub-award place of performance occurs. If you plan to enter anything other than "US" or "United States" as a country value, you must enter "Non-US" for the corresponding State value. By entering "Non-US" as the State value, the Zip+4 and Congressional District become non-required fields. Refer to "Appendix B - FSRS Country List" at the end of this document for acceptable country values. The country name must be entered exactly as shown in Appendix B.	Enter the valid Country name.		
Sub Amount	This field reflects the amount of the sub-award your organization made to the sub-awardee.	Enter the sub- award amount.		
Subaward Date	This is the date the sub-award was made in YYYY-MM-DD format. Please note, this field must be formatted as a text field for the date formatting to be retained when the file is converted to a .csv file.	Enter the date.		

13				
Column Header	Note	Your Action		
Subaward Project Description	Provide a concise, narrative description of the sub-award's purpose. Please note, as with all information provided in FSRS about your sub-award, this will be displayed to the public on USAspending.gov, so be clear and complete.	Enter the project description.		
Subaward Number	This field represents the sub-award number your organization gave to this subaward.	Enter the number.		
Sub Compensation Q1	Answer the question, "As provided to you by your sub-awardee, in your sub-awardee's business or organization's preceding completed fiscal year, did its business or organization (the legal entity to which the UNIQUE ENTITY ID (SAM) number it provided belongs) receive (1) 80 percent or moreof its annual gross revenues in U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements; and (2) \$25,000,000 or more in annual gross revenues from U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements?" If you respond 'Yes,' you must provide a	Enter 'Yes' or 'No.'		
Sub Compensation Q2	response to Sub Compensation Q2. Answer the question, "As provided to you by your sub-awardee, does the public have access to information about the compensation of the executives in the sub-awardee's business or organization (the legal entity to which the UNIQUE ENTITY ID (SAM)number it provided belongs) through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986?" You only need to answer this if you responded 'Yes' to Sub Compensation Q1. Answer 'Yes' or 'No.' If you answer 'Yes,' you do not have to provide additional information.	Enter 'Yes' or 'No.'		

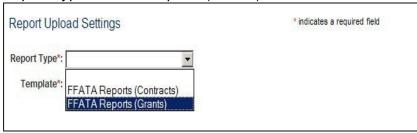

Column Header	Note	Your Action	
	If you answer 'No,' you must provide the names and amounts of the five most highly compensated executives of the sub-awardee's organization.		
Sub Top Employer Compensation	If you answered 'No' to Sub Compensation Q2, then provide the name and total compensation for the five (5) most highly compensated executives in the sub-awardee's business or organization (the legal entity to which this UNIQUE ENTITY ID (SAM)number is assigned). Enter the five names as a text string with the name and total compensationseparated by a colon and each executive separated by a semicolon.	Enter the five names as a text string with the name and total compensation separated by a colon and each entry separated by a semicolon.	
	Name1:Amount1;Name2:Amount2;Name3:Amount3;Name4:Amount4;Name5:Amount5 i.e. John Doe:1000000;Mary Smith:950000;Eric		
	Jones:800000;Todd Smith:600000;Sally Shoes:500000		

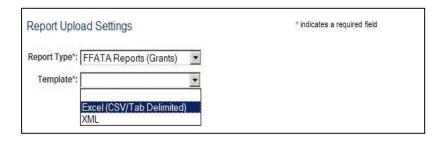

- d. Once you have entered all required data about your sub-awards, and checked the spreadsheet for accuracy, save a copy of the file in its Excel format so you have this available to make any changes should the report be rejected or require updating.
- e. Next, save another copy of the file using the Save As option:
 - Tip: When naming your file, we suggest including the reporting month/year within the file name to easily identify the file in the future.
 - Save as type CSV Comma Delimited (.csv) or Tab Delimited.
 - Close the file, you will be prompted to save changes again, click No and the file will be closed.

Task 2 - Submit a Batch Upload File

- 1. Within FSRS, go back to the Batch Upload Reports screen and fill in the correct Report Upload Settings:
 - a. Report Type: FFATA Reports (Grants)

b. Template: Excel (CSV/Tab Delimited)

c. Delimiter: Comma Separated(CSV) or Tab Delimited

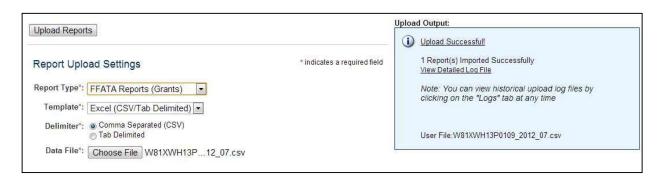

- d. Data File: Click [Browse] and navigate to your .csv file to upload. Select it.
- e. Click the [Upload Reports] button.

2. Once you have clicked the [Upload Reports] button the system will begin to extract the data from the CSV file and begin checking the data across multiple resources for accuracy. For further information on this please refer to the Data Definitions Document for Grants found on the Resources Page of the FSRS System. Note: Do not attempt to process your upload again until after you have received an email from the system regarding the success or failure of the upload. Uploading the file again before the first has processed can create a duplicate report and double the subaward values reported to USAspending.gov.

A. Reports of Less than 150 Rows: Once the system has finished processing the CSV file, you will see a box to the right that shows how many rows were uploaded into the system. If you had multiple sub-award reports within the same batch upload the successfully uploaded report(s) and the failed report(s) will be identified in the Upload Output Message.

Note: Sub-award reports fail if a single subawardee record is incorrect or missing data within a sub-award report.

Upload Output for Small Batch Upload Reports (less than 150 rows)

B. Reports of More than 150 Rows: Once the system has finished processing the CSV file, you will receive an email stating how many rows were uploaded into the system. If you had multiple sub-award reports within the same batch upload the successfully uploaded report(s) will displaying and the failed report(s) will be identified in your email notification.

Note: Sub-award reports fail if a single subawardee record is incorrect or missing data within a sub-award report.

Upload Output for Large Batch Upload Reports (more than 150 rows)

The system will send you an email notification with an Error Report link which can be viewed and it will show exactly which rows were not uploaded and what error stopped the upload for each row. See Appendix C for an explanation of potential errors.

Task 3 - Re-open a Submitted Report to Edit Using Batch Upload

- 1. Log into FSRS and go to Create/Review Reports: FFATA Reports.
- 2. Locate and view the FFATA sub-award report that was uploaded via batch upload.
- 3. Locate the URL ID assigned to the report. It is the data string following &id= in the URL of the report. NOTE: If you reopen to edit the report before obtaining the report ID from the URL you may not be able to obtain the ID. You would need to return to the List page for reports, and then view the Reopened report to obtain the ID.

For example:

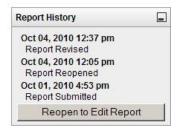

URL:

https://fsrs-

test.symplicity.com/index?s=ffata_reports&_mode=_form&_tab=core&_do_edit=1&report_step=4&id=e614a5b34cccb78819173c192cf70028

URL ID: e614a5b34cccb78819173c192cf70028

4. Select the [Reopen to Edit Report] button on the upper right of the screen.

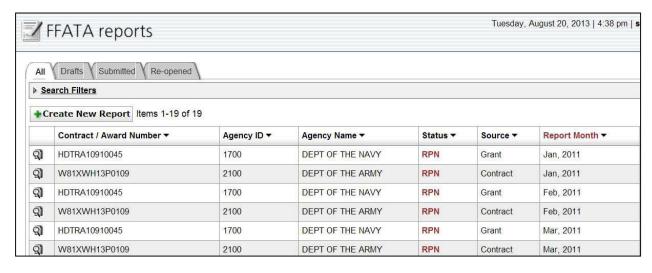

- 5. Repeat Step 2 & 3 for all the FAINs in your batch upload spreadsheet(s) that you want to edit via Batch Upload.
- 6. Go to the Batch Upload screen.
- 7. Follow the instructions for Creating a Batch Upload above (see Task 1). Do not forget to put the URL ID in the ID field for each report.
- 8. Submit the new Batch Upload file following the instructions for Submitting a Batch Upload above (Task 2).
- 9. If it passes the validation checks inherent in the system, this will overwrite the existing report(s) and be sent to USAspending in the next nightly update.

Task 3(Optional) - Re-open a Submitted Report to Edit Manually

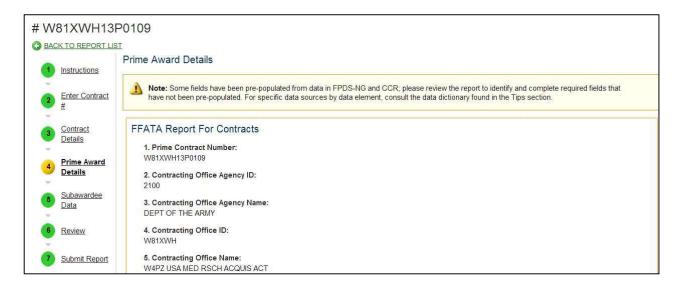

- 1. Log into FSRS and go to Create/Review Reports: FFATA Reports.
- 2. Locate and view the FFATA sub-award report that was uploaded via batch upload.

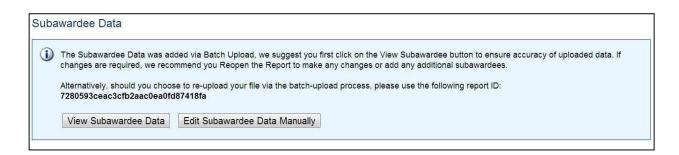

3. The system will display the report's Prime Award Details page, click Continue at the bottom of the page or click on Step 5: Subawardee Data.

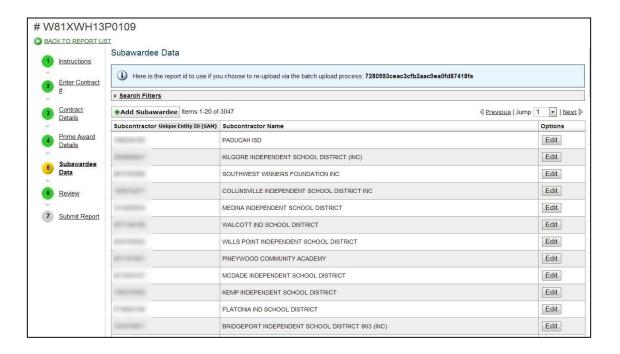

4. On the Subawardee Data page an information box is provided with the URL ID needed to perform a batch upload should you choose to process an updated batch upload for the report instead of modifying the subawardee records manually.

5. To manually modify your report click on the Edit Subawardee Data Manually button. Clicking the View Subawardee Data button will display the subawardee records in view mode only, to perform edits you must reopen the report using the Edit Subawardee Data Manually button or the Reopen to Edit button.

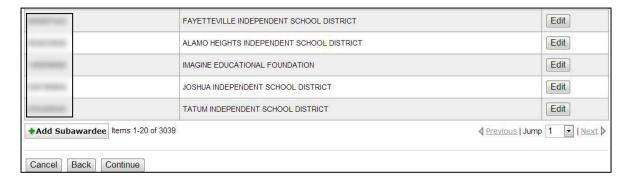

6. The Subawardee Data screen will refresh and display each of the subawardees from the batch upload report in the order that they were entered in the batch upload csv file.

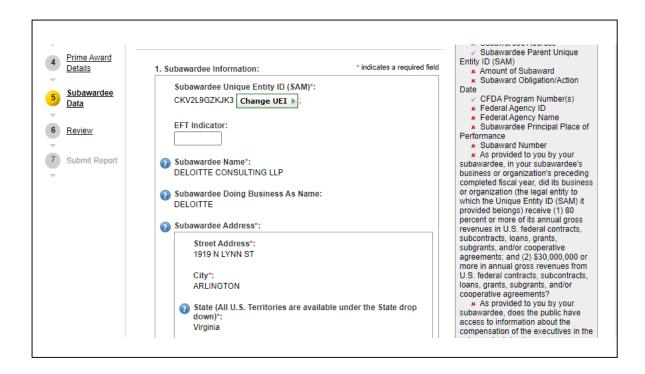

- 7. There are three key features to the Subawardee Data page.
 - a. Search Filters: This will allow you to locate a single UNIQUE ENTITY ID (SAM) within the report, search can be conducted on UNIQUE ENTITY ID (SAM) or Subcontractor name. Click on the title Search Filtersto display the Search Field.

b. Edit button (Options Column): This will allow you to modify the individual subawardee data. Once you have completed your edits click the Save & Go Back button to save your changes to the record and return to the Subawardee List page.

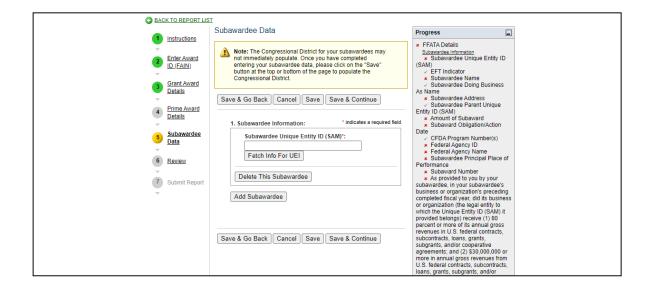

c. Add Subawardee button: This will allow you to add an additional subawardee to your existing report.

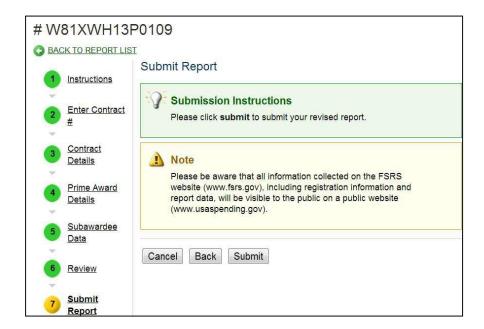

d. Enter the subrecipient UNIQUE ENTITY ID (SAM) number in to the Subawardee UNIQUE ENTITY ID (SAM) fields and clickthe Fetch UNIQUE ENTITY ID (SAM) button.

Once you have completed the required fields for the new subawardee click the Save & Go Back button to save the new Subawardee record to the report. **Note: If you add records manually, be sure to also add it to your Batch Upload XLS file in case you decide to upload a modified report in the future.**

Repeat this process as many times as needed to add additional subawardees to your report.

- 8. Once you have completed your manual edits to the report click the **Continue** button at the bottom of the Subawardee Data page.
- 9. After clicking Continue you will be provided with information regarding the data being transmitted to USAspending.gov once you have submitted your report.

10. Click Submit if you are ready to submit report or you can continue to review your data until you are satisfied with its accuracy. Once you have submitted your report the following notice will display.

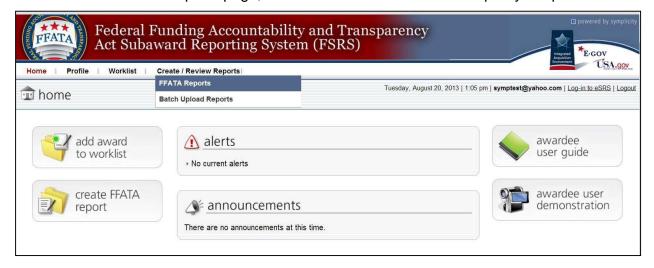

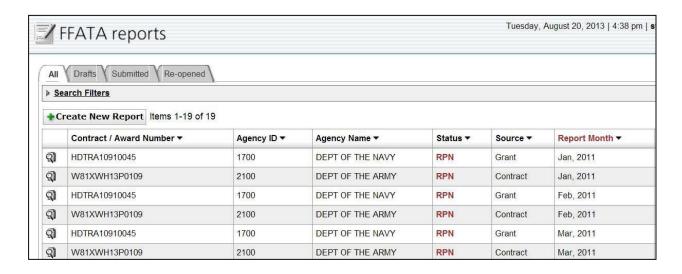

Managing Congressional District Errors

FSRS allows for the manual input of a Congressional District when a valid Zip+4 is unavailable. You will still need to manually remove any records with a missing/invalid Zip+4 prior to submitting them via the Batch Upload module. You will then have to reopen your Batch Upload report and manually enter the subawardees whose Zip+4s were invalid. FSRS will NOT retain manually entered Congressional District information beyond the uploaded report for future use.

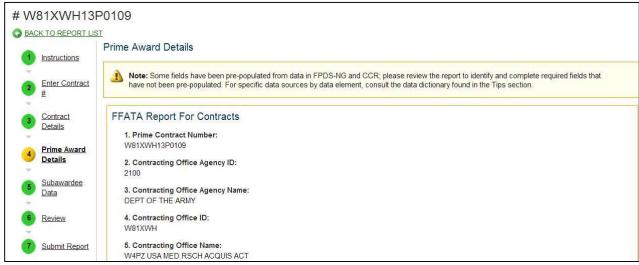

To submit a report for a Subawardee with an invalid Zip+4, the Prime should follow these steps:

- 1. Log into FSRS and go to Create/Review Reports: FFATA Reports.
- 2. On the FFATA Reports page, click the View icon next to the report you uploaded.

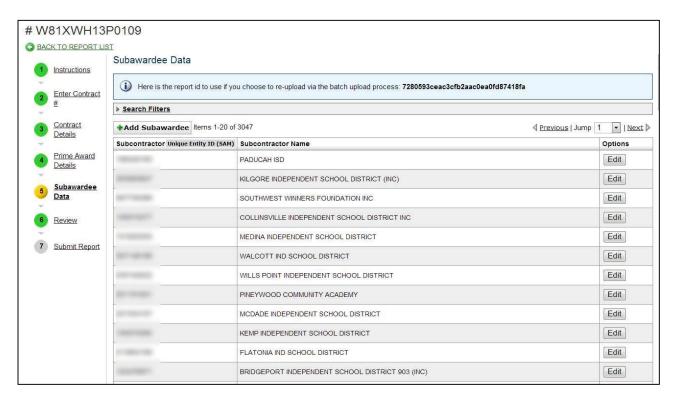

- 3. The system will display the report's Prime Award Details page, click Continue at the bottom of the page or click on Step 5: Subawardee Data.
- 4. On the Subawardee Data page an information box is provided with the URL ID needed

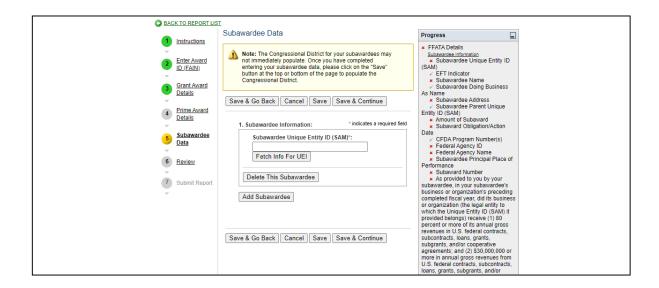

to perform a batch upload should you choose to process an updated batch upload for the report instead of modifying the subawardee records manually.

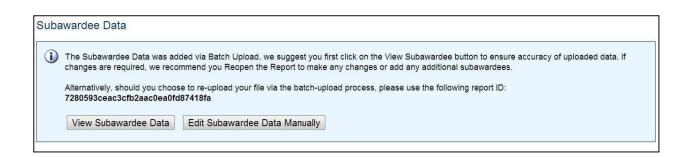

To manually modify your report click on the Edit Subawardee Data Manually button. Clicking the View Subawardee Data button will display the subawardee records in view mode. To perform edits, you must reopen the report using the Edit Subawardee Data Manually button or the Reopen to Edit button.

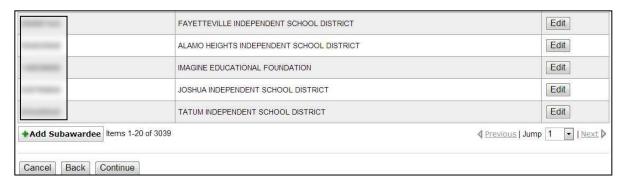

6. The Subawardee Data screen will refresh and display each of the subawardees from the batch upload report in the order that they were entered in the batch upload csv file.

Add Subawardee button: This will allow you to add an additional subcontractor to your existing report.

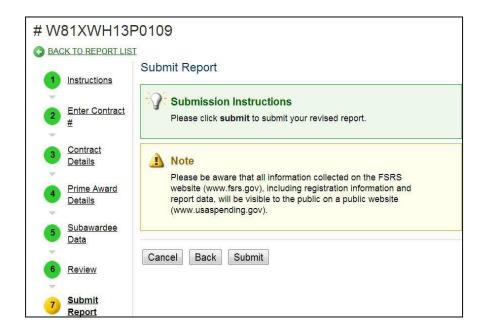

- a. If a valid Zip+4 is not available for the **physical address**, you will be prompted to manually enter a 2-digit Congressional District
- b. Manually enter the **place of performance**, including the relevant Zip+4 information if available. Note: If a valid Zip+4 is not available for the place of performance, you must save the report and then manually enter a 2-digit Congressional District.

Repeat this process as many times as needed to add additional subawardees to your report.

- 8. Once you have completed your manual edits to the report click the **Continue** button at the bottom of the Subawardee Data page.
- 9. After clicking Continue you will be provided with information regarding the data being transmitted to USAspending.gov once you have submitted your report.

10. Click Submit if you are ready to submit report or you can continue to review your data until you are satisfied with its accuracy. Once you have submitted your report the following notice will display.

Appendix A - FFATA (Grants) Excel Template Format Table

Header Name	Field Format	Data Format	Required	Description
GRANTS				
ID ¹	Text	See Footnote 1	No	See Footnote 1
Additional Subawardee Row	General	Yes/No	Yes	Enter No to begin the sub-award report and 'Yes' for each row created to add additional subawardee information to that Grant Sub-award Report
Award ID(FAIN)	General	04000B178L45E1	Yes	Grant Award number assigned by the Federal awarding agency
Subaward Month	General	Jan – 01 Feb – 02 Mar – 03 April – 04 May – 05 June – 06 July – 07 Aug – 08 Sept – 09 Oct – 10 Nov – 11 Dec – 12	Yes	The month of the reporting period

The subawardee UNIQUE ENTITY ID (SAM) number does not match any active record in SAM.gov. Per 2CFR Chapter I Part 25 and the Office of Management and Budget guidance on FFATA Subaward and Executive Compensation Reporting issued on August 27, 2010, each prime grant recipient may make subawards only to entities that have UNIQUE ENTITY ID (SAM) numbers. While you canignore this error and continue entering other information, you must provide a valid UNIQUE ENTITY ID (SAM) number for your subawardee in order to complete and submit this report. FSRS will not allow you to submit the report without a valid subawardee UNIQUE ENTITY ID (SAM) number.	Sub Awardee Unique Entity ID (SAM) does not match what has been reported in USAspending. Check to ensurecorrect Unique Entity ID (SAM) is being used.
